I grow all my plants. I am the oldest grower in the county. Have grown plants for the middle man for 20 years until last season. They wanted too much profit. So I quit them and sold them to the planters direct at less prices than the middle man could sell them. I sold all I grow last season, and am offering them to the planters again this season cheaper than the middle man can sell them. Thanking you planters for your past orders and hoping will send me vour order again. I will try to please you.

Above prices are at my beds or by express. Please send money, check or draft with order, as I sell for cash only. By parcel post add 25c per i.M. References: North Memphis Savings Bank and Liberty Savings Bank & Trust Co.
